Hey there, I'm wondering if anyone else has been disappointed with the AAA24 membership service. The birthday gift is really cool, but I haven't really seen any major benefits. I was hoping members would have exclusive access to the recent vintage drop before it went live to the public, but we didn't get so much as an advanced heads up. I'd like to suggest to everyone who is also disappointed to email A24 at [aaa24@a24films.com](mailto:aaa24@a24films.com) Very politely explain why you are disappointed. I'd recommend giving a suggestion on how they can improve, I'm going to request members get exclusive access to Beau merch before the general public. Let me know if you agree and will be sending a polite email!?

ThatGuyKeondre • 1y ago I originally just wanted it for the pin and birthday gift, any ticket I got for free was for a movie that never once came to my area so it's just a complete waste, zines are sporadic on when they come to you which isn't fun.

Batfleck-420 OP • 1y ago <https://shop.a24films.com/collections/vintage> They had a drop on November 8th. I just happened to see it in Twitter like 5 mins after the drop and almost everything was already sold. Really feel like members should have first dibs on this kind of stuff.

Ok-Dragonfruit-6521 • 1y ago i've been thinking about doing it this month to get the birthday gift does anyone think it's worth it? i'm from the uk and i've seen mixed things about the service for international people but paying £10 and getting something from the store is farrrr cheaper than if i were to just order straight from the store itself so in that respect it seems worth it but i do know u don't have complete free range on what u get.
